

WE ARE EXCITED TO CELEBRATE 35 YEARS IN BUSINESS!

Dr. Luc Chaltin incorporated NEWTON in 1987, laying the foundation as a manufacturer of quality homeopathic products. We are blessed to carry on his vision for these many years and are thankful to each of you for helping make it possible. We know many of you have been with us for the entire 35 years.

We are hosting a monthly contest for our health food stores, retail customers, and professional accounts. Submit your story of how NEWTON has impacted your business, your family, or your practice. The NEWTON team will read and vote each month on the winner in each category. The winner of each category will be highlighted in the next newsletter and will receive a 35% discount on their next order. Winners have 60 days to claim their discount. Non-winners will still be eligible to win and included in the months following monthly winner announcements. Content may be used for marketing purposes. By submitting your entry, you agree to these Terms of Service.
