Empower Your Health... Join the AACH Membership Club!

The AACH Membership Club caters to individuals who want to learn about clinical homeopathy and how to incorporate NEWTON homeopathics® complexes into their daily wellness routine.

AACH leaders cannot and will not offer personal medical and/or health advice. All AACH Membership Club offerings will be exclusive to AACH Membership Club members who sign the [AACH Membership Club Application & Waiver Form](#). To experience a mutually productive venture, both Club members and AACH faculty must fulfill several commitments.

OUR COMMITMENT TO ACTIVE MEMBERS:

- You will receive a 10% discount on OTC personal-use NEWTON homeopathics® (may not be combined with any other discount).
- You will receive free samples of NEWTON homeopathics® on occasion.
- You will have access to the following educational offerings:
 - A ten-part seminar series, *Making Clinical Homeopathy Practical*, an expansion of the information historically presented during on-site seminars. Each seminar consists of a video lesson, reading assignment(s), and a recorded video forum (discussion with students about the lessons). Each seminar focuses on a critical aspect of homeopathy such as its history, use, and benefits, especially the advantages seen with *clinical homeopathy*. Seminars must be completed sequentially, one after the other, beginning with Seminar 1.
 - » Each seminar will also discuss three NEWTON homeopathics® complexes including their use for ailments not listed on the label and/or for non-self-limiting conditions.
 - » Students receive a Certificate of Course Completion after completing each seminar.
 - » Students may purchase NEWTON homeopathics® PRO complexes for personal use after completing Seminars 1 through 6 of our *Making Clinical Homeopathy Practical* seminar series. PRO orders must be called in or emailed to csr@newtonlabs.net. **The first seminar is free. Each additional seminar costs \$35.**
 - A course for practitioners, *Integrating Clinical Homeopathy into Your Practice: A Guide for Practitioners*, discusses NEWTON homeopathics® OTC and PRO lines in detail. Its lessons include, among others, a recorded 90-minute video forum presented by NEWTON CEO Marge Roberts, video presentations by several practitioners, and a printable PowerPoint that introduces the NEWTON homeopathics® product line. **This module costs \$50.**
 - A new series of live video forums will begin soon, presented by an AACH faculty member. Topics of discussion include, among others, current events in homeopathy, case studies, and guest speakers. Frequency of these events is dictated by interests of the AACH Membership Club community. Discussions will be held in a Q&A format. **Each live video forum costs \$35.**
 - A 50% discount on the second course, *Clinical Homeopathy II: Foundational Concepts*, for students who successfully complete the first course, *Clinical Homeopathy I: An Introduction*, of our popular five-part Diploma Program.
- Club members will be contacted as additional educational offerings develop.

YOUR RESPONSIBILITY AS AN ACTIVE MEMBER:
